ITBU 313, Introduction to Cybersecurity

Sample Quiz

January 10, 2023

1   Instructions

This is an open book, open note quiz. However, you are not otherwise permitted to give or receive aid, whether from another student or anyone else. This is intended to be a short answer quiz.

Please define the following terms. Please answer in brief phrases. This is a timed quiz — you should be familiar with each of these terms.

Submit your answers in accordance with the instructions given orally in class. Late submissions will result in failure of this examination.
